## DEMOCRATIC TICKET.

For President  
JAMES M. COX, of Ohio.

For Vice President  
FRANKLIN D. ROOSEVELT, of New York.

For Congress  
W. J. FIELDS, of Carter county.

## ANNOUNCEMENTS

We are authorized to announce  
CHARLEY EDWARDS as a candidate  
for the Republican nomination for  
County Court Clerk of Lawrence-co.,  
at the primary to be held in August,  
1921.

Friday, August 13, 1920.

Yon, Ohio, last Saturday Gov.  
was formally notified of his  
nomination for President. Prominent  
over the United States and  
the parade required  
pass a given point. Mr.  
created the greatest en-  
thusiasm was right to the point  
station, dodging nothing,  
the courage that has al-  
ready given Gov. Cox. He will  
many places throughout the  
League of Nations is the great-  
est ever made to prevent war.  
The States can not afford to  
with Mexico, Turkey and  
We will not engage in war at  
unless our Congress decrees  
shall. We can withdraw from  
League if not satisfied with it. No  
whether the Democrats or the  
League wins there will be a League  
League. The label will be differ-  
ent and a few words may be changed,  
but nobody except Hi Johnson and a  
handful of other extremists have the  
hardihood to oppose an effort to stop  
war. The Republican platform de-  
clares for the League of Nations "with  
reservations." The Democratic plat-  
form is for the League of Nations, and  
does not object to "interpretative" al-  
terations in the present form, but ob-  
jects to changes that nullify it. There-  
fore, if there are any voters opposed  
to a League of Nations they will have  
to vote the Socialist ticket.

## GOOD ROADS

JOE McDOWELL

The following essay took first prize  
at the Lawrence County School Fair  
held in Louisa last fall. It was writ-  
ten by a grandson of Mr. M. H. Johns  
of this place:

Good roads is a question which the  
farmers of Eastern Kentucky has to  
think about. Every day they find  
themselves up against this question.

Why should we have good roads in  
our country? One reason is it shows  
a higher state of progress. If we find  
a community where they have good  
roads we suppose that community to be  
lively and thrifty. If people are  
very industrious they will work to get  
good roads. Another reason is it would  
give the farmer a better way to sell  
and buy products and also a cheaper  
way. The money which the farmer  
loses each year by bad roads would, in  
a few years, build fine roads. Another  
reason is it would help keep the  
children and boys on the farm by making  
the surroundings more attractive.  
What boy or girl would not rather  
have the paved streets rather than the  
muddy and dusty roads like we have  
in our country today? Another reason  
is it will help our schools by having  
better attendance for on some roads,  
even in our country, the children can  
not get to school because the roads are  
so bad. It would cause an im-  
provement in our school buildings be-  
cause we do not want to build nice  
school houses out in places where the  
roads are so bad that hardly any one  
can get to them.

Now comes the question what kind  
of roads shall we build? There are  
several kinds of roads, but which will  
suit our needs and which have the  
money enough to build? I think at  
present a well graded dirt road would  
be best. Then we can build the bet-  
ter roads when we have money en-  
ough.

This part of the state should have  
good roads if other parts of it can.  
The people pay taxes for roads but  
seem to get but little out of it. We  
should have good roads even at a  
greater cost for it would save the far-  
mer money enough in a few years to  
pay for the building of the road. It  
will not only do this but it will give  
the farmers more courage to have big-  
ger and better cared-for crops.

I think that we boys and girls of  
this country should enjoy as good roads  
as girls and boys of other counties.  
And we, the boys and girls of this  
country, truly hope that when Mr.  
Votey has a chance to settle this ques-  
tion that it will be in our favor.

JOSEPH HARVEY McDOWELL,  
10 years old—Fifth Grade  
Louisa Public School.

## YATESVILLE

The long protracted drought has at  
last been broken up by a fine, gentle  
rain and everybody here is rejoicing  
as it had been believed for a consid-  
erable time that the corn would not  
be more than a half crop, but it is  
now estimated that it will be very near  
a full crop. All the other crops—  
potatoes, oats and wheat, are excel-  
lent.

The oil operations in this end of  
the field are all on the boom. Several  
strikes have been made lately.

## WELL AND HAPPY WOMAN, SHE SAYS

WAS ALL RUN DOWN AND WORN  
OUT WHEN SHE BEGAN TAK-  
ING TANLAC.

"I have taken only two bottles of  
Tanlac, but it is just wonderful how it  
has built me up," said Mrs. Bertha  
Grimes of 1520 Portland Ave., Lou-  
isville, Ky., while recently telling a Tan-  
lac Representative of her recovery after  
taking the medicine.

"I was in a miserable, run-down  
condition," Mrs. Grimes continued,  
"and I had been that way for six  
months before I started taking Tanlac.  
I was so weak I could not do my house  
work and I honestly believe my little  
six-year-old boy was stronger than I  
was. My appetite was poor and what  
I ate seemed to do me more harm than  
good. Nearly all the time I had a  
pain in my side and if I started to even  
sweep the floor I would give complete-  
ly out. I was troubled a great deal  
with constipation and had to be tak-  
ing laxatives every few days. I hardly  
knew what it was to get a good night's  
sleep and I got up feeling worn-out  
every morning.

"A friend of my husband's told him  
about Tanlac and one night he brought  
me some home. And now I am happy  
to say that things are entirely differ-  
ent and life is again worth living. My  
appetite is just fine and although I eat  
three good meals every day I still feel  
hungry. Everything I eat agrees with  
me and is fast giving me back my  
lost strength and energy. The pain in  
my side has disappeared and I am no  
longer troubled with constipation. For  
the first time in six months I know  
what it is to get a good night's rest  
and sleep and I get up in the morning  
feeling so strong that it is no trouble  
for me to do my house work. It is  
just wonderful what a great change  
has come over me and Tanlac deserves  
credit for it all."

Tanlac is sold in Louisa by Mrs. J.  
H. Reynolds.

The oil well that has just been drill-  
ed in and shot on John Gillman's farm  
is another gusher. There was ten feet  
more of oil and found in this well  
than in the wells found on Jesse  
Lyon's farm. Two more gushers were  
drilled in on the Jesse Lyons' farm this  
week. Drilling machines are coming  
in daily. There is one now on Bob  
Fyffe's and Oliver Wheeler's farm, and  
Merideth Kelley, Hargis Holbrook,  
Ben Ferguson, and Little Dick Skaggs  
are to have wells put down on their  
farms just as soon as the machinery  
can be moved to them.

Born to Parish Sparks and wife a
